WATER

A water buffalo (water filling station) will be available in lower Seneca Park. A water station will be available to 5K participants in the back corner of the Zoo's Main Parking Lot. Be environmentally conscious and save on disposable cups and plastic bottles by bringing your own water bottle.

MISCELLANEOUS

- There will be an ambulance near the finish line in the lower park.
- Bathrooms are located near the Longhouse Shelter. Port-a-potties will be available by the Finish Line.
- No dogs are permitted as part of the 5K.
- Strollers must start at the back of the group.

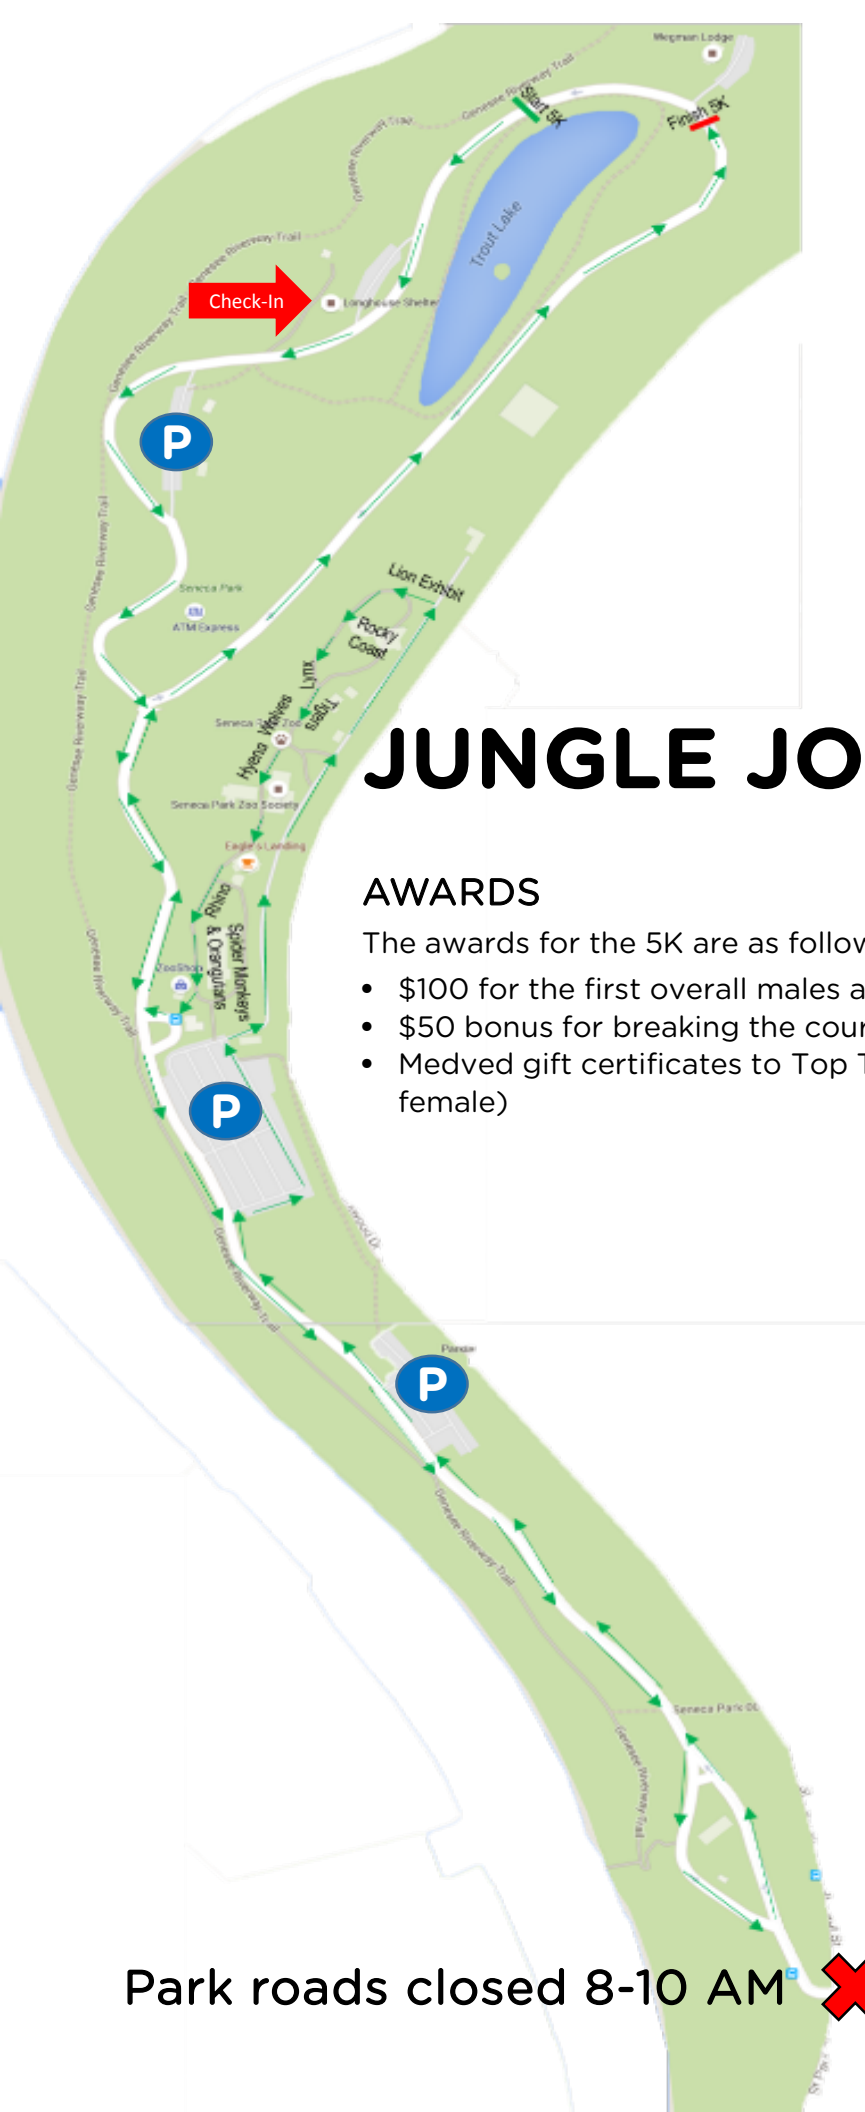

PARKING

- Parking in the lower park is limited to 120 vehicles. Parking is available at the Zoo and the overflow lots. All lots in the park are closed from 8 AM to approximately 10 AM.
- **There is no vehicle access from the St. Paul entrance (marked on the following map) throughout the park beginning at 8:00 AM. All roads in the park will close promptly at this time to clear the path for runners and walkers. There will be no exceptions to these closure times.**
- **Please plan to be in the lower park by 8 AM.** If you need to leave earlier than road closures permit, park accordingly outside of the park and allow enough time for a significant walk to the lower park.
- Seneca Park roads will open once the course is swept of all runners and walkers. We anticipate this time to vary between 9:30 – 10 AM.
- Please be courteous to our parking staff and volunteers. We will do our best to help you find open spaces as quickly as possible so you may head to the lower park.

ZOO ADMISSION

Zoo admission is free to **PARTICIPANTS ONLY** on Sunday, July 16th. You must present your bib number to qualify. Family members and guests of runners must pay regular Zoo admission. The Zoo opens at 9:30 a.m. to all Zoo visitors for that day only.
